# HOLIDAY *lights*

*Something for everyone*

**KIDS. STUDENTS. ADULTS**

We all know Thanksgiving and Christmas will look different this year—from family gatherings to Christmas traditions. But that doesn't mean we can't create some cheer and bring the 'merry' back in to the holidays. At Riverside we plan to have special events all season long, including our HOLIDAY LIGHTS message series. We'll be talking about gratitude as well as disappointment, trust as well as fear, and truth about how the joy & peace of Christmas remind us we don't have to stay in the dark. Each week will provide hope and a perspective we trust will brighten your holidays even when circumstances are challenging.
