### MESSAGE NOTES

We're in a series where we're learning what it means to stand for God and His truth and embrace His mission when everyone and \_\_\_\_\_ around us is standing for anything and everything else but God and His truth.

\_\_\_\_\_ is something we know is vitally important...but it can also seem \_\_\_\_\_ as a reality in our own lives.

Too often we can view prayer as a \_\_\_\_\_-producer instead of an anxiety-reliever...as a \_\_\_\_\_ obligation instead of a wonderful privilege.

Notes James 5:17-18

Elijah shows us that \_\_\_\_\_ prayer begins with:

**1.** \_\_\_\_\_

A great misconception about prayer is that it demands some kind of \_\_\_\_\_ from us (note Matthew 6:5).

Prayer isn't a way to impress other people or to impress \_\_\_\_\_ (note 1 Kings 18:25-29).

Note 1 Kings 18:36-38

## **2. Power and Effectiveness in Prayer Comes From God's**

---

Note 1 Kings 18:38, 45a

Note 1 Kings 18:1

Note 1 Kings 8:35-36, 18:39, 41

Elijah's \_\_\_\_\_ was not based on how well he prayed, how long he prayed, or what words he used in his prayer.

It was because he prayed for God's \_\_\_\_\_ will to be done.

### 3. \_\_\_\_\_ in Prayer Comes Because of God's Character (note 1 Kings 18:42-44a)

Way too often, we think of (and practice) prayer as if it's up to us to \_\_\_\_\_ God to do what we want Him to do.

*Prayer throughout the Bible...is to be primarily understood as asking God to \_\_\_\_\_ on what He already promised. (Millar)*

Prayer isn't getting God to change His purposes and plans, but it is about changing my desires to \_\_\_\_\_ God's plans and purposes.

Note 1 Timothy 1:15-16; 2:3-4; and 2 Peter 3:9

Elijah knew God's promises; but he also had to \_\_\_\_\_ in God's character as he prayed for the drought to end and the rain to fall (note 1 Kings 18:42-43).

Note Luke 11:5-10

\_\_\_\_\_ asking...seeking...knocking...

#### **SO WHO'S GOT THIS IN YOUR LIFE?:**

- Prayer only becomes \_\_\_\_\_ when we say "YES!" to Jesus as Lord and have a personal relationship with the God we're talking to.
- Elijah has been on quite a run of amazing miracles and answered prayers (note 1 Kings 18:44b-46)...
- Next Sunday we are going to see one prayer of Elijah that was not answered and what can happen when we come down from "the mountain-top".

1. If I had to rate my view of prayer on a scale of 1-10, 1 being a “dreaded obligation” and 10 being “a wonderful privilege”, it would be a... ([James 5:17-18](#))
2. Elijah did not put on airs or hype himself up, he just prayed a simple prayer which God then answered. ([1 Kings 18:36-38](#)) What are some ways that this can bring freedom in my prayer life?
3. The prayer of Elijah was that God would reveal Himself to the people once again. He did not ask for anything specific, just what God wanted accomplished. How does the way I pray line up with God’s expressed will for my life? ([1 Kings 8:35-36](#))
4. Is God’s character what causes me to persevere in prayer? Do I know what God wants for me? “Prayer isn’t getting God to change His purposes and plans, but it is about changing my desires to embrace God’s plans and purposes.” What are some ways that I can take steps forward in this? ([Luke 11:5-10](#), [2 Timothy 3:16](#))
5. My part to play begins with saying ‘YES!’ to Jesus, and starting to follow Him. Have I done that? If not, what is holding me back? If I have said my own ‘YES!’, what is my next step in moving my prayer life closer to a 10?

### MESSAGE NOTES

We're in a series where we're learning what it means to stand for God and His truth and embrace His mission when everyone and everything around us is standing for anything and everything else but God and His truth.

Prayer is something we know is vitally important...but it can also seem elusive as a reality in our own lives.

Too often we can view prayer as a guilt-producer instead of an anxiety-reliever...as a dreaded obligation instead of a wonderful privilege.

Notes James 5:17-18

Elijah shows us that powerful prayer begins with:

### 1. Genuineness

A great misconception about prayer is that it demands some kind of performance from us (note Matthew 6:5).

Prayer isn't a way to impress other people or to impress God (note 1 Kings 18:25-29).

Note 1 Kings 18:36-38

### 2. Power and Effectiveness in Prayer Comes From God's Promises

Note 1 Kings 18:38, 45a

Note 1 Kings 18:1

Note 1 Kings 8:35-36, 18:39, 41

Elijah's confidence was not based on how well he prayed, how long he prayed, or what words he used in his prayer.

It was because he prayed for God's expressed will to be done.

### 3. Persevering in Prayer Comes Because of God's Character (note 1 Kings 18:42-44a)

Way too often, we think of (and practice) prayer as if it's up to us to convince God to do what we want Him to do.

*Prayer throughout the Bible...is to be primarily understood as asking God to come through on what He already promised.* (Millar)

Prayer isn't getting God to change His purposes and plans, but it is about changing my desires to embrace God's plans and purposes.

Note 1 Timothy 1:15-16; 2:3-4; and 2 Peter 3:9

Elijah knew God's promises; but he also had to trust in God's character as he prayed for the drought to end and the rain to fall (note 1 Kings 18:42-43).

Note Luke 11:5-10

Keep on asking...seeking...knocking...
